Docket Number: WS-02987A-16-0017

Docket Position: For

We bought our home in solera as a golf course community not to live next to a bunch of condo's which are nothing more than another name for apartments. The golf course is one of the main draws to this community which also helps keep our property values up. This proposal from Johnson Ranch utilities I feel would be a stab in the back to this community and it's residents.
